Dear Voting Members,

I would like to serve as ICCF Auditor. I am current ICCF-WZ Auditor.

My goal and vision would be as an the ICCF Auditor as following:

- Optimize available resources and complete audits within the agreed budget and timeframe.
- Develop an effective audit approach that includes clear and concise control matrices and audit programs.
- Draft clear and concise audit findings to bring any concerns to the board members attention.
- Prepare audit reports that effectively address the key issues to be raised to the board members.
- Take responsibility for timely delivery of the draft and final audit reports.
- Develop and maintain good interaction and communication within the board members.
- Timely track and follow up on open audit and regulatory issues with the accountable parties.
- Identify opportunities for improving the audit process.

I have over 30 years of Audit, International Tax, Accounting & Financial Consulting experience and I'm owner of Accounting & Financial Consulting Company in California, USA. I think that's a solid requirement for this job.

My education – I have a Dr. degree in Math. and a Dr. degree in Economics. I started my business education before I opened my own company in the Swiss Bank Business. I'm enjoying CC, Tennis and time with my wife and dog.

Thank you for consideration of my application.
